PA Free Enterprise Week
Interested in Business?
Spend a week at Lycoming College or Pennsylvania College of Technology. See Guidance for an application.

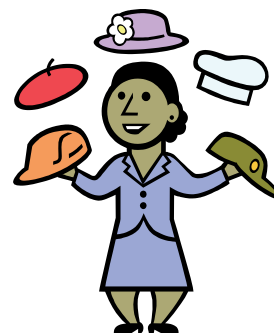

DEADLINE:
Friday April 4, 2008

Attention Sophomore Parents!

So Far this year...

In October the counselors visited all 10th grade English classes to discuss

- **Careers**– Start thinking about careers. Encourage your sophomore to check out these websites!
Career Websites: www.bls.gov/oco and www.careers-internet.org
(Log in: 9711 Password: future)
- **PSAT's**- Results for students who took the PSAT's were distributed in homeroom with a parent tutorial. All 10th graders are highly encouraged to take PSAT's. Students should use these results to study and prepare for the junior PSAT's and SAT's.
- **NHS**- All students with a cumulative GPA of 90% or better will be invited to join The National Honor Society in August prior to their junior or senior year. (For more information regarding requirements please contact the guidance department.)
- Freshman and Sophomore Parent Breakfast was held on November 9, 2007. (Parent feedback on program is welcomed)

Ask your son or daughter to see their “Career Choices and Educational Options” Handbook! Have them complete the self assessment.

Yet to come...

Financial Aid Night– Thursday January 10, 2008. It's never too early to start planning for college!

Course Selection will begin in January. All students will have an individual meeting with their Guidance Counselor to discuss their courses for next year and review their four year plan. **Parents will also receive an appt. card in the mail inviting you to participate in the planning process.** Check on Upper Moreland's website or look at our course catalogue to plan ahead. Every student is encouraged to challenge themselves academically by taking the most rigorous schedule that they can successfully handle and take electives that reflect their strengths and/or interests.
