Dear Parents/Guardians/Staff Members:

School Districts are required to comply with the Pennsylvania Act 1591984, Worker and Community Right-to-Know Law. The following information is presented as an annual update of Upper Moreland's on-going Right-to-Know activities.

Our Safety Data Sheet (SDS) books have been updated for the calendar year 2018. The SDS books contain a listing of chemicals used or stored in certain specified areas of the District. The books are available for inspection by any interested individual by appointment made through the Facilities Supervisor at least two working days in advance. SDS books are located in the Facilities Office. The Facilities Supervisor can be reached at 215-830-1580.
