FROM THE SUPERINTENDENT

September 2018

Dear Parents and Students,

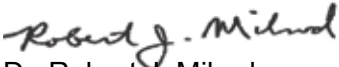

The following guidelines, mandated by the State, are important for students to ensure provisions of the rights accorded them by law and to maintain a sense of acceptable classroom behavior. The purpose of these guidelines, developed by staff and legal counsel is as follows:

- To ensure an understanding by parents and students of what is acceptable behavior, as well as what actions will be considered infractions of the rules
- To ensure that teachers and students using these guidelines will be able to maintain an appropriate classroom environment
- To ensure a consistency and equality of treatment for all students
- To ensure the protection of students from other students who abuse the rights afforded them or who violate school rules
- To ensure that parents and students understand the processes which lead to suspension or expulsion

The Code of Conduct Student and Responsibilities is intended to cover discipline contingencies at separate grade levels in all our schools. You may find some of the guidelines irrelevant because of the age of your student, but the guidelines were designed to cover the possible occurrence of some very serious offenses.

This code incorporates suggestions made by students, staff, administration, and parents. We thank everyone for their cooperation in this important endeavor.

Respectfully yours,

Dr. Robert J. Milrod
Superintendent of Schools

UPPER MORELAND TOWNSHIP SCHOOL DISTRICT MISSION STATEMENT

The School District of Upper Moreland Township in partnership with the community will provide each student with educational opportunities for developing the knowledge, skills, and behaviors necessary for excellence and success as contributing members of society.

IN LOCO PARENTIS

From the time students leave their homes each morning to the time they return each evening, school officials are provided with the authority to act in place of parents or guardians. This is called "in loco parentis," translated as "in the place of a parent."

Section 1317 of the Pennsylvania School Code provides the authority for school officials, acting in loco parentis, to enforce school rules regarding conduct and behavior for all students. This authority is enforced during the time that students are in attendance in school and on school-sponsored activities, and also extends from the time that a student leaves their home to travel to school until the time that a student reaches home from the school. It is important to note that the rules of the code of conduct apply to students as they leave their homes and travel to school (whether by walking, on the school bus, or in a car), as they attend school and all school-sponsored activities, and until the time that students return to their homes from school at the end of the day.

EQUAL OPPORTUNITY

It is the policy of the Upper Moreland School District not to discriminate on the basis of sex, handicap, race, color, religion, or national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, and Title VI. Upper Moreland School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. For information about your civil rights and grievance procedures, contact the building principal or:

Upper Moreland School District, Attn: Human Resources
2900 Terwood Road, Willow Grove, Pennsylvania 19090
(215) 830-1511

NOTE: The school district has a written policy for discipline and attendance. This policy, THE ELEMENTARY SCHOOL CODE OF STUDENT CONDUCT is approved annually and is available electronically to all students on the district website www.umtsd.org/codes. Hard copies of the Elementary Code of Student Conduct are available in the School Main Office.

3. Dress and groom so as to meet fair standards of safety and health, and not to cause substantial disruption to the educational process.

THE ELEMENTARY SCHOOL PROSOCIAL SKILLS MODEL

The ProSocial Skills Model is a school-wide behavior management program implemented in the elementary schools.

This school-wide program:

- Enables all of our students to become responsible and contributing members of our school community
- Requires a common commitment endorsed by teachers, specialists, staff members, parents, and students

THIS IS OUR MISSION STATEMENT

Every child is everyone's responsibility, and appropriate social behavior needs to be taught and continually encouraged by the entire school community (faculty, staff, parents, and students).

The philosophy is supported by the following belief statements:

- Every child needs to feel a sense of belonging and self-worth.
- It is essential to have a consistent home and school commitment.
- Children's choices are their own.

The benefits of using the ProSocial Skills Model are:

- Increased academic-engaged time
- Increased use of critical thinking, reasoning, and problem solving skills by students
- Significant reductions in discipline problems referred to the school office
- Increased levels of consistency in the application of discipline strategies by teachers and staff across classrooms and the entire building

We are teaching the children to use five problem-solving steps whenever they need to make a "good choice" or solve a problem.

1. Stop and think.
2. Decide "Am I going to make a good choice or bad choice?"
3. "What steps (from a specific skill) do I need to follow to make a good choice?"
4. Follow the steps.
5. Ask "How did I do?"

Children are asked to make good choices which support their learning throughout the day. Examples of such choices include listening, following directions, ignoring distractions, and making smooth transitions. We are teaching these specific skills in the classroom within the framework of this problem-solving model.

Possession of a weapon in school, on school grounds, while in transport to or from school, or at school-sponsored event will lead to a ten-day suspension and a formal due process hearing and may result in an expulsion from school for at least one year.

ACCUMULATION OF DISCIPLINARY INFRACTIONS

If over the course of the year, a student accumulates five (5) disciplinary referrals to the office, and one (1) or more of these referrals is at Level II, III or IV, the student and their parents/guardians will be required to attend a planning team meeting at their school. This meeting will be convened to include staff relevant to the disciplinary record of the student. Central Office staff may be included in this meeting. At the planning team meeting, the disciplinary record of the student will be reviewed and an improvement plan developed. The student and parents/guardians will be asked to contribute to the development of the improvement plan. If the student has an IEP, the IEP team will serve as the planning team.

If the student continues to accumulate disciplinary referrals following the planning team meeting and implementation of the improvement plan, the team will re-convene. Representative(s) from Central Office shall be included in this meeting, which will take place either at the school or at the District Administration Building. At this second meeting, the disciplinary record of the student will again be reviewed, and the improvement plan will be reviewed and revised as necessary. If the student has an IEP, the IEP team will serve as the planning team.

If the student continues to accumulate disciplinary referrals following the second planning team meeting, alternatives to school building regular day attendance will be considered by the District. These alternatives may include modified school day attendance or placement in an alternative setting.

CRIMINAL LAW CONSEQUENCES

Possession of weapon on school property: Legislature has mandated that the commission of this offense is a misdemeanor of the first degree and will be punishable by a maximum of five year imprisonment and/or imposition of a \$10,000 fine.

Aggravated assault upon school personnel: A misdemeanor of the first degree will be punishable for not more than five years imprisonment and/or a \$10,000 fine. For a subsequent conviction or finding of delinquency, the Criminal Code states the sanction to be a felony of the third degree with a maximum of seven years imprisonment and/or a \$15,000 fine.

Fighting or acting in a violent or threatening manner while in a public school building is a summary offense punishable according to the guidelines for a charge of disorderly conduct. Subsequent convictions are pursued as first-degree misdemeanors.

ATTENDANCE REGULATIONS

A. EXCUSED ABSENCES

The Board of School Directors of Upper Moreland Township, consistent with Pennsylvania law and regulations, will not condone nor permit absences from school for an unlawful reason and will not issue credit if minimum student attendance is not achieved. Therefore, every student enrolled in the public schools of Upper Moreland Township will be in daily attendance except for the following reasons:

1. Personal illness
2. Quarantine of the individual or home
3. Death in the immediate family
4. Exceptional, urgent reasons - must pertain to student
5. Religious holiday
6. Suspension from school
7. Required court appearance
8. College visitation (with approval)
9. In the case of the exceptional student (special education), where absence is caused by or directly related to the student's exceptionality
10. Religious instruction - at the written request of a parent, students may be excused for up to 36 hours of religious instruction per school year

Absences for the above reasons, when verified in accordance with Part B below, will not be counted against the student, although work missed must be made up in accordance with Part C below.

All other absences which occur without prior administrative approval will be considered unexcused for all purposes, to include making up absences under Part C below.

After three days of unexcused absences, a warning notice will be sent to the parents or guardians. If additional unexcused absences occur, a School Attendance Improvement Conference will be held and a criminal complaint may be filed without warning with the District Justice for court action.

Children leaving school before 10:10 AM will be marked absent. If the school nurse determines that a child needs to be sent home prior to 10:10 AM, the student is marked absent regardless of the actual pick up time.

For continued lateness to school, the student, parents/guardians and staff members will meet to develop an attendance improvement plan.

B. UNEXCUSED ABSENCES

Chronic absenteeism has been associated with negative educational and life outcomes in adulthood for students. Attendance in school is crucial. On November 3, 2016, truancy legislation was enacted by Pennsylvania lawmakers to deter truancy "through a comprehensive approach to consistently identify and address attendance issues as early as possible with credible intervention techniques."

Truancy Definitions:

Truant: a child subject to compulsory school laws having three or more school days of unexcused absences during the current school year.

Habitual Truancy: a child subject to compulsory school laws having six or more school days of unexcused absences during the current school year. These absences do not need to run consecutively.

In accordance with Pennsylvania law and regulations, the School District of Upper Moreland has adopted the follow procedures to inform and work with parents/guardians of their child(ren)'s unexcused absences:

When	What
1st Unexcused Absence	Phone Call Home
3rd Unexcused Absence (Truant)	Email/Mail home the Third Illegal Absence Letter to notify parents/guardians of the students' absences Invite the family to attend a School Attendance Improvement Plan (SAIP) conference to address barriers to attending school regularly
4th-9th Unexcused Absence (Habitually Truant)	Convene the School Attendance Improvement Plan (SAIP) conference to address barriers to attending school regularly
10th Unexcused Absence (Chronically Truant)	Complete the referral for truancy court intervention

C. ABSENCE VERIFICATION

When a student returns to school after an absence, a written excuse must be provided by a parent/guardian. This excuse must be one of the permissible reasons for absence stated in Part A above in order for the absence to be excused. Unless a written excuse is presented within three school days after the student returns to school, the absence will be counted as unexcused. A doctor's excuse may be required for any absence due to illness or injury that is three or more consecutive school days in duration. A doctor's excuse note also may be required for a student who has accumulated ten or more days of absence. The total number of absences includes days for an excused educational trip or vacation.

Parents/guardians of any student who will be lawfully absent for more than three school days must notify the school so that arrangements for home assignments can be offered. Exceptions must be requested in writing. In each case, substantiation of the reason for the absence is required.

D. PROCEDURES FOR FULFILLING ACADEMIC REQUIREMENT DUE TO ABSENCE FROM SCHOOL/CLASS

Any student who is absent from school/classes for any reason must make up all missed class assignments. If the made up work is satisfactory, the student will receive full credit for the assignment. Work is not permitted to be made up during classes unless special provisions are made with the teacher.

Parents/guardians of any student who will be lawfully absent for more than three school days must notify the school so that arrangements for home assignments can be offered. Exceptions must be requested in writing. In each case, substantiation of the reason for the absence is required.

E. MINIMUM EDUCATION REQUIREMENTS

School attendance is the responsibility of the pupil and parents/guardians. A student who fails to meet the requirements for daily attendance, as outlined in Policy 204, by absenting himself/herself from school is clearly impeding and diminishing the learning process. Note that this policy is not disciplinary measures; thus, separate disciplinary actions can be taken in connection with unexcused absences.

F. SCHOOL-SPONSORED ACTIVITIES

A student must be present a minimum of four hours of the school day in order to participate in any school-sponsored activity for that day. A student who is absent the day before a school holiday or a weekend is not permitted to participate in a school-sponsored activity scheduled for the holiday or weekend unless a valid excuse is presented to the staff member in charge of the activity.

G. DISMISSAL DURING SCHOOL HOURS

Parents should make every effort to schedule appointments for their children outside of the instructional day. However, there may be times

when students must be excused from school during school hours. Students who are to be released should present their teacher with a written request upon arrival at school. They will only be released to parents or guardians or those individuals whose names appear on the Emergency Card on file in the school office. Any other person who wishes to take a child with them will have to wait for phone verification by the parents or guardian. Students will be dismissed from the office only. A parent who has sole or shared custody of his or her children must have the appropriate court order on file in the school office.

When a parent comes to pick up a child, the parent must show proper identification and sign the child out in the log located in the office. The secretary will call for the student on the intercom. Children will not be dismissed directly from the classroom. If the child later returns to school, please check in at the office in order to make school officials aware of the student's return. This procedure is designed for the safety of our students and will be strictly enforced.

H. LATENESS TO SCHOOL (TARDINESS)

Parents are required to provide a written excuse for lateness to school. A student's late arrival to school will be excused for the following reasons only:

1. Personal illness
2. Quarantine of the individual or home
3. Death in the immediate family
4. Unusual weather conditions
5. Exceptional urgent reasons - must pertain to the student
6. Religious holiday
7. Required court appearance
8. In the case of an exceptional student (special education) where the tardiness is caused by or directly related to the student's exceptionality

Consistent lateness to school because of personal illness may necessitate providing a medical excuse. Students who arrive late to school must report immediately to the designated office in order to be admitted to class. Failure to do so is a violation of the Code of Conduct.

Unauthorized tardiness and early dismissal during a school year will be added together. When the accumulated minutes of unauthorized tardiness/early dismissal equal one-half school day, the total will be counted as a day of unexcused absence for the purposes of this section. This process will continue so that each incident of unauthorized tardiness and/or early dismissal may be treated as another day of unexcused absence. Students who are consistently late may need to make up lost instructional time during recess and/or after school. Cumulative tardiness will prevent students from achieving perfect attendance.

I. EDUCATIONAL TRIPS

Educational trips will be considered by the building Principal on a case-by-case basis. In reviewing a request for an educational trip, the building Principal will confer with the Superintendent of Schools, and will follow these guidelines:

- Educational trips will not be approved during school testing periods. Days off during these periods will be considered unexcused;
- Educational trips will not be approved for trips that would typically be considered as a “vacation” if taken at times of the year when school is not in session. Such “vacation” trips would typically include destinations such as amusement parks, theme parks and travel to resorts. If not approved, days taken off will be considered unexcused;
- Educational trips will not be approved for students with a history of unexcused absences and/or unexcused lateness to school. If not approved, days taken off will be considered unexcused.

COMPUTER USE GUIDELINES

The Upper Moreland School District is pleased to offer the availability of Internet access to all students for the purposes of educational and personal growth.

The Internet, as many of you are probably aware, is an international association of computer networks. Governments, industries, colleges, schools, and individuals contribute to the diverse membership of the Internet. Access to the Internet will permit our students to exchange information and ideas with other students or mentors from across the country and around the world. Electronic mail and shared problem solving are just two of the benefits that follow from access to information in this new format. We look forward to continuing our tradition of excellence in education by offering this service.

Your child may use the Upper Moreland School District’s computer resources so long as you both read these documents and both sign on the Signature Page that is included on the last page of this booklet. You should also understand that the Upper Moreland School District has the right to monitor all accounts.

Please review this information carefully with your child. If you have any questions, feel free to contact your school principal or your building librarian.

Our goal in providing Internet access is to help students develop the ability to evaluate and synthesize information from many sources and enable them to work effectively with communication technology. We encourage our students to develop the critical thinking and problem-solving skills that they will need as citizens in an increasingly electronic and global society.

With the privilege of Internet access comes the responsibility to use the resource wisely. Access to computerized information on a world-wide basis may mean the appearance of material that is not educationally defensible in a school setting. Monitoring and controlling all such material is impossible. However, the professional staff of the Upper Moreland School District believes that the information and interaction made possible by the Internet outweigh the possibility that users may acquire materials that do not support the educational goals of the district.

After considerable research, the school district has formulated this set of guidelines to govern use of the Internet within the Upper Moreland Schools. Please read the guidelines below and discuss each part with your child. Your signature is required on the accompanying Signature Page in order for your child to use the computer facilities in the Upper Moreland School District. Understand that, if you do not sign the Signature Page, your child may not use the computer facilities of the Upper Moreland School District.

1. Only those students who have successfully completed the Upper Moreland School District's required Internet training will be authorized to use the Internet.
2. Students are responsible for adhering to all Upper Moreland School District Internet guidelines and policies and to the school's Code of Conduct. (Board Policies #'s 815; 815.1; 815.3)
3. Transferring copyrighted materials to or from any Upper Moreland School network without expressed consent of the copyright holder is a violation of federal law and is prohibited. (Board Policy #814)
4. Students using the Internet accept the responsibility to keep all inappropriate material from entering the school network.
5. Students are not permitted to access the district computer system while in school, on school grounds, or on the school technology resources, to include electronic mail and other network communications facilities, to harass, bully, intimidate, threaten, coerce or to engage in or encourage illegal or inappropriate conduct is prohibited.
6. Students are prohibited from using the school district's technology resources to engage in and /or promote religious or partisan political beliefs in such a way that it appears to reflect the opinion or endorsement of the school district.
7. Students using school district technology resources may not allow any other person to use their password or to share their account.
8. Any attempt to circumvent system security, obtain or use others' passwords, or in any way gain unauthorized access to local or network resources is forbidden.
9. Use of the district's computer system for commercial gain or profit is not allowed.

D. INTEGRATED PEST MANAGEMENT PLAN

The Facilities Department serves as the school district's IPM coordinator for the district, with the support of the grounds department and the assigned pest manager which is currently Western. This firm "participated with writing the Pennsylvania State IPM protocols for schools that are now law."

The pest manager (Western) "inspects the facility, monitors for pests, and decides if prevention or suppression measures are necessary". Western maintains records of pesticide use, including the kind and EPA Registration number, amount, location and date of application. Pesticide Applications is only done by Certified pesticide applicators having the Category 23 classifications of 7Pa. Code 128.42 who are employed by the Pest Manager.

Upper Moreland's IPM strategies include education, exclusion, sanitation, maintenance, biological and mechanical controls, and site appropriate pesticides. Whenever possible the school district makes recommended building repairs and improve sanitation practices to avoid unnecessary pesticide use.

The pest manager checks the Pesticide Hypersensitivity Registry, which is published quarterly by the Pa. Department of Agriculture. This registry identifies any individual within 500 feet of the application site, and whom a physician has verified to have medical problems associated with exposure to pesticides. These individuals are notified before any restricted use pesticide applications take place.

Upper Moreland, at least 72 hours before each planned pesticide treatment provides notice of the pest control information sheet to every individual working in the school building where the treatment is planned. The District provides notifications to parents or guardians at the beginning of each school year and at the time of a child's enrollment as well as those who have requested that they be provided notice at least 72 hours before each planned treatment to parents or guardians of students in a building or on school grounds where a treatment is planned. Not with standing any other provision of this policy, where pests pose an immediate threat to the health and safety of students or employees, the District may authorize an emergency pesticide application. In the case of an emergency pesticide application, the District shall notify by telephone any parent or guardian who has requested such notification.

Each building maintains a Pest Sighting Log in the maintenance area. Building staff will report all sightings via a work order to the building assigned maintenance employee(s) who will then record each event in the log. This book will be available for inspection by the Coordinator and the Pest Manager when he or she arrives for the scheduled inspections. Significant sightings will be reported to the Coordinator immediately.

For questions and/or to place your name on the notification list, please contact the Facilities Department at 215-830-1580.
