SUMMARY PLAN DESCRIPTION

TABLE OF CONTENTS

INTRODUCTION

Upper Moreland Township School District (the "Company") established the Upper Moreland Township School District (the "Plan") effective 07/01/2013. This summary describes the Plan as amended and restated effective 07/01/2019. The Plan is a cafeteria plan that provides an eligible employee with the opportunity to choose among benefits offered under the Plan.

This summary supersedes all previous summaries of the Plan. Although the purpose of this document is to summarize the more significant provisions of the Plan, it is only a summary - the terms of the Plan document ultimately govern the operation and administration of the Plan. The Company and any employer who has adopted the Plan is referred to in this document as the "Company".

ELIGIBILITY

You are an "Eligible Employee" if you are an employee of the Company or any affiliate who has adopted the Plan on the first day of the calendar month next following the date you have attained at least 18 years of age and you have completed at least 30 days of service.

However, you are not an "Eligible Employee" if you are any of the following:

- A self-employed individual (including a partner), or a person who owns (or is deemed to own) more than 2 percent of the outstanding stock of an S corporation.
- Covered by a collective bargaining agreement that does not provide for participation in this Plan.
- A leased employee.
- A non-resident alien who received no U.S. source earned income.
- Subs and Co-Curricular .

If you are eligible to participate in the Company-sponsored group health plan, then you are eligible to participate in the Health Flexible Spending Account, even if you do not elect to participate in the Company-sponsored group health plan.

ELECTION PROCEDURES

You may elect to participate in the Benefits under the Plan within 30 days after your eligibility date (or a shorter period if established by the Plan Administrator).

If you do not enroll in the Plan upon your initial eligibility, you may enroll during the enrollment period established by the Plan Administrator. Your election will be effective as of the first day of the Plan Year following the enrollment period.

You may also enroll in the Plan upon a change in status event as described below.

To enroll in the Plan, you must submit a completed election form to the Plan Administrator on or before the date specified by the Plan Administrator. If, as of the start of a Plan Year, you have not submitted a completed election form by its due date, you will be deemed to have elected not to participate in the Plan for that Plan Year.

An election to participate in the Plan is generally irrevocable for the Plan Year. You may not change your election during a Plan Year unless you experience a change in status. Your change in election must be on account of and correspond with a change in status that affects your eligibility for coverage under the Plan.

Depending on the Benefit, a "change in status" includes:

- Change in your marital status.
- Change in the number of your dependents.
- Change in your employment status or the employment status of your spouse or dependents.
- Your dependent satisfies or ceases to satisfy eligibility requirements.
- Change in your place of residence.
- Commencement or termination of an adoption proceeding.
- Court judgment, decree, or order.
- Entitlement to Medicare or Medicaid by you, your spouse, or your dependent.

- Significant cost or other coverage changes.
- You change coverage under another cafeteria plan.
- You take leave under the FMLA.
- You lose coverage under the group health plan due to a reduction in hours.
- You are eligible to enroll in a qualified health plan through the Marketplace.

BENEFITS

Contributions pertaining to a Benefit will be credited to the applicable account. Your contributions to the Plan are not subject to federal income tax or social security taxes. Please note that while you may enjoy certain tax benefits, there may be some drawbacks to participation in the Plan. For instance, participation in the Plan may lower your social security benefits. You should consult with your professional tax/financial advisor to determine the consequences of your participation in this Plan.

If you are a highly paid employee or an owner of your Company, federal law may impose limits on your behalf to participate in the Plan and/or the benefits you may receive from the Plan. If the Plan Administrator determines that the Plan may fail to satisfy any nondiscrimination requirement or any limitation imposed by the Code, the Plan Administrator may modify your election in order to assure compliance with such requirements or limitations.

Premium Conversion Account

You may elect to contribute to a Premium Conversion Account for the payment of certain individually-owned policies identified below.If you elect to contribute to a Premium Conversion Account, the Plan will establish a Premium Conversion Account in your name. Your Premium Conversion Account will be credited with amounts withheld from your compensation. The amount of the contribution to your Premium Conversion Account is equal to the amount of your portion of the premium due for the following benefits/contracts:

- Company Health
- Company Dental
- Company Vision
- Company Short-Term Disability
- Company Long-Term Disability
- Company Group Term Life
- Company Accidental Death & Dismemberment
- Individually-owned Disability
- Prescription Drug Coverage and Individual Health

In addition, your election for your premiums will be automatically adjusted for any change in the cost of contracts sponsored by the Company as permitted by applicable law.

If you affirmatively elect not to participate in the Premium Conversion Account for a Plan Year, you will not be enrolled unless and until you elect to participate in the Premium Conversion Account as described in the "Election Procedures" above. Contributions to the Premium Conversion Account are not subject to federal income tax or social security taxes, except that contributions for the payment of premiums under Company Group Term Life Insurance will be made on an after-tax basis to the extent that the premiums relate to coverage in excess of $50,000.

In the event of a conflict between the terms of this Plan and the terms of the applicable contract, the terms of the contract (or the benefit plan under which it is established) will control.

The following Health Flexible Spending Account is available under the Plan:

Your claim for reimbursement must include substantiation that the Plan Administrator or Claims Administrator considers sufficient for determining that the claim constitutes an expense eligible for reimbursement under the Plan.

If you are a participant in any Company-sponsored benefit plan, eligible expenses that are not covered under the benefit plan, such as co-payments, co-insurance or deductibles, will be automatically paid through your General Purpose Health FSA.

You must submit claims for reimbursement from your General Purpose Health FSA no later than 90 days after the end of the Plan Year. Any amounts remaining in your Health FSA after all timely claims have been paid will be forfeited.

To the extent that the Plan Administrator approves a claim, the Company may either (i) reimburse you, or (ii) pay the service provider directly. The Plan Administrator will pay claims at least once per year. The Plan Administrator may provide that payments/reimbursements of less than a certain amount will be carried forward and aggregated with future claims until the reimbursable amount is greater than a minimum amount. In any event, the entire amount of payments/reimbursements outstanding at the end of the Plan Year will be reimbursed without regard to the minimum payment amount.

Claims for Plan Benefits (except for Health FSAs)

You must file a claim for benefits under this Plan in accordance with the Plan Administrator's guidelines. If your claim does not include enough information to process the claim, you will be given an opportunity to provide the missing information. You may designate an authorized representative by providing written notice of the designation to the Plan Administrator.

You may apply for benefits under the Plan by completing and filing a claim with the Plan Administrator. Your claim must include all information and evidence that the Plan Administrator deems necessary to evaluate the merit of your claim and to make any necessary determinations on your claim. The Plan Administrator may request any additional information from you as necessary to evaluate the claim.

Claims for Health FSA Benefits

If you file a claim for benefits from your Health FSA and that claim is denied, the Plan Administrator will notify you within a reasonable period of time, but no later than 30 days after the Plan Administrator received the claim. The Plan Administrator may notify you, prior to the expiration of this 30-day period, of the need to extend the period by up to 15 days due to matters beyond its control. In such case the Plan Administrator will notify you of the circumstances requiring the extension of time and the date by which the Plan Administrator notify you of its decision. If the extension is

necessary because you did not submit information necessary to decide the claim, the notice of extension will describe the required information, and you will have at least 45 days from the day you receive the notice to provide the specified information.

If your claim is denied, the Plan Administrator will provide you with a notice identifying (A) the reason or reasons for the denial, (B) the Plan provisions on which the denial is based, (C) any material or information needed to grant the claim and an explanation of why the additional information is necessary, (D) an explanation of the steps that you must take if you wish to appeal the denial, including a statement that you may bring a civil action under ERISA after following the Plan's claims procedures. The notice will also include (1) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the denial and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to you upon request; or (2) if the denial is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Appeal of Denied Claim. If you wish to appeal the denial of a claim, you must file an appeal with the Plan Administrator on or before the 180th day after you receive the Plan Administrator's notice that the claim has been denied. You will lose the right to appeal if the appeal is not made within this 180-day period. The appeal must identify both the grounds and specific Plan provisions upon which the appeal is based. You will be provided, upon request and free of charge, documents and other information relevant to your claim. Your appeal may also include any comments, statements or documents that you desire to provide. The Plan Administrator will consider the merits of your presentations, the merits of any facts or evidence in support of the denial of benefits, and such other facts and circumstances as the Plan Administrator may deem relevant. In considering the appeal, the Plan Administrator will:

(A) Provide for a review that does not afford deference to the initial adverse benefit determination and that is conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the denial that is the subject of the appeal, nor the subordinate of such individual;

(B) Provide that, in deciding an appeal of any denial that is based on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate, the appropriate named fiduciary shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;

(C) Provide for the identification of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with your claim denial, without regard to whether the advice was relied upon in making the denial; and

(D) Provide that the health care professional engaged for purposes of a consultation under (B) above will be an individual who is neither an individual who was consulted in connection with the denial that is the subject of the appeal, nor the subordinate of any such individual.

The Plan Administrator will notify you of the Plan's benefit determination on review within 60 days after receipt by the Plan of your request for review of the denial.

Denial of Appeal. If your appeal is denied, the Plan Administrator will provide you with a notice identifying (A) the reason or reasons for such denial, (B) the Plan provisions on which the denial is based, (C) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim, and (D) a statement describing your right to bring an action under section 502(a) of ERISA after following the Plan's claims procedures. The determination rendered by the Plan Administrator shall be binding upon all parties.

Exhaustion of Remedies; Limitations Period for Filing Suit. Before you can file a lawsuit for benefits under the Plan, you must exhaust the Plan's internal remedies. A lawsuit for benefits under the Plan must be brought within one year after the date of a final decision on the claim in accordance with the claims procedure described above.

Benefits Provided under Contracts. Please see the underlying contracts for any additional claims and reimbursement rules under those contracts.

Debit/Credit Cards

Upper Moreland Township School District will provide you with a debit/credit and/or other stored-value card for purposes of making purchases that are eligible for reimbursement from your Health Flexible Spending Account and/or Dependent Care Assistance Plan Account. The Plan Administrator will provide you with more information about these cards as well as any limitations at the time you enroll in the Plan. You do not have to use the cards and may request reimbursements as listed above.

COBRA CONTINUATION COVERAGE

If you are participating in the Health FSA and your Company is not a small employer, then COBRA applies. A "small employer" is generally an employer that employs 20 or fewer employees, but you should contact the Plan Administrator who can inform you if the Company is a small employer not subject to COBRA and is not required to comply with these rules. Depending on your Health FSA balance at the time of the Qualifying Event (described below), you may not be eligible for COBRA continuation coverage.

Qualifying Events

You have the right to continue your coverage under the Health FSA if any of the following events results in your loss of coverage under the Health FSA:

- termination of employment for any reason other than gross misconduct
- reduction in your hours of employment

Your spouse and dependent children (including children born to you or placed for adoption with you) have the right to continue coverage under the Health FSA if any of the following events results in their loss of coverage under the Health FSA:

- termination of your employment for any reason other than gross misconduct
- reduction in your hours of employment
- you become enrolled in Medicare
- you and your spouse divorce or are legally separated
- your death
- your dependent ceases to be a "dependent child" for purposes of COBRA

Persons entitled to continue coverage under COBRA are "Qualified Beneficiaries."
If the cost of COBRA continuation coverage for the remainder of the Plan Year equals or exceeds the amount of reimbursement you have available under the Health FSA for the remainder of the Plan Year, you, your spouse, and/or your dependent child(ren) generally do not have the right to elect COBRA continuation coverage. You will be provided notice of your right to elect COBRA continuation coverage.

Continuing Coverage

You may continue the level of coverage you had in effect immediately preceding the Qualifying Event. However, if Plan benefits are modified for similarly situated active employees, then they will be modified for you and other Qualified Beneficiaries as well. You will be eligible to make a change in your benefit election with respect to the Plan upon the occurrence of any event that permits a similarly situated active employee to make a benefit election change during a Plan Year.

You, your spouse, or your dependent child(ren) must notify the Plan Administrator or its delegate in writing of a divorce, legal separation, or a child losing dependent status under the Plan within 60 days after the later of (1) the date of the Qualifying Event or (2) the date on which coverage is lost under the Plan because of the event. After receiving notice of a Qualifying Event, the Plan Administrator will provide Qualifying Beneficiaries with an election notice, which describes the right to COBRA continuation coverage and how to make an election. Notice to your spouse is deemed notice to your covered dependents that reside with the spouse.

You or your dependent(s) are responsible for notifying the Plan Administrator or its delegate if you or your dependent(s) become covered under another group health plan or entitled to Medicare.

Election Procedures and Deadlines

A Qualified Beneficiary may make an election for COBRA continuation coverage if they are not covered under the Plan as a result of another Qualified Beneficiary's COBRA continuation election. To elect COBRA continuation coverage, you must complete the applicable election form within 60 days from the later of (1) the date the election notice was provided to you or (2) the date that the Qualified Beneficiary would otherwise lose coverage under the Plan due to the Qualifying Event and submit it to the Plan Administrator or its delegate. If the Qualified Beneficiary does not return the election form within the 60-day period, it will be considered a waiver of their COBRA continuation coverage rights.

Cost of COBRA Continuation Coverage

The cost of COBRA continuation coverage will not exceed 102% of the applicable premium for the period of continuation coverage.

When Continuation Coverage Ends

You may be able to continue coverage under the Health FSA until the end of the Plan Year in which the Qualifying Event occurs. However, COBRA

continuation coverage may end earlier for any of the following reasons:

- You fail to make a required COBRA continuation coverage contribution;
- The date that you first become covered under another Health FSA;
- The date that you first become entitled to Medicare; or
- The date the Company no longer provides a Health FSA to any of its employees.

YOUR RIGHTS UNDER ERISA

As a participant in the Health FSA under this Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants in a plan governed by ERISA shall be entitled to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.
- Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants in plans governed by ERISA, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your Company, your union, if applicable, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining an ERISA welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for an ERISA welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.
Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of ERISA plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court if you have exhausted the Plan's claims procedures. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court if you have exhausted the Plan's claims procedures. If you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

The Plan Administrator shall prescribe such forms and may require such data from an Eligible Employee as are reasonably required and permitted under applicable law to enroll the Eligible Employee in the Plan or to effectuate any elections made pursuant to this Article 4. The Plan Administrator may adopt procedures governing the elections described in this Article 4, including, without limitation, a minimum annual and per pay period contribution amount, a maximum contribution per pay period amount consistent with applicable annual limits, and the ability of a Participant to make after-tax contributions to the Plan.

(b) *New Employees*. An Eligible Employee may elect to participate in the Benefits under the Plan during the period established by the Plan Administrator, which shall be no longer than 30 days after the date the Eligible Employee becomes an Employee. The election will be effective as of the Employee's hire date; provided, however, that amounts used to pay for such election must be made from Compensation not yet currently available on the date of the election.

(c) *New Eligible Employees*. An Employee who becomes an Eligible Employee (for example, after satisfying the Plan's age and/or service requirements, if any) may elect to participate in the Benefits under the Plan during the period established by the Plan Administrator, which shall be no longer than 31 days after the date the Employee becomes an Eligible Employee. The election will be effective on a prospective basis.

(d) *Continuing Eligible Employees*. An Eligible Employee may elect to enroll in the Plan or to modify or revoke his or her election during the period established by the Plan Administrator that precedes the Plan Year for which the election will be effective.

(e) *Failure to Elect*. If an Eligible Employee does not make an election in accordance with the required enrollment procedures with respect to any or all Benefits under the Plan, the Eligible Employee will be deemed to have elected not to participate in such Benefit for the applicable Plan Year, except as otherwise provided herein.

Section 4.03 MID-YEAR ELECTION CHANGES

An Eligible Employee's election to participate in a Benefit hereunder is irrevocable during the Plan Year and may not be changed or revoked for any reason, except that an Eligible Employee may change his or her election during the Plan Year no later than the end of the 31-day period beginning on the date of a Change in Status (as defined below). The election change must be on account of and correspond with a Change in Status that affects eligibility for coverage under the Plan.

A Change in Status means the following:

(a) *Legal Marital Status.* Events that change an Eligible Employee's legal marital status, including marriage, death of spouse, divorce, legal separation, and annulment.

(b) *Number of Dependents.* Events that change an Eligible Employee's number of Dependents, including birth, death, adoption, and placement for adoption.

(c) *Employment Status.* Any of the following events that change the employment status of the Eligible Employee, the Eligible Employee's spouse, or the Eligible Employee's Dependent: a termination or commencement of employment, a strike or lockout, a commencement of or return from an unpaid leave of absence, and a change in worksite. In addition, if the eligibility conditions of the Plan or other employee benefit plan of the Employer of the Eligible Employee or the Eligible Employee's Spouse or Dependent depend on the employment status of that individual and there is a change in that individual's employment status with the consequence that the individual becomes (or ceases to be) eligible under the applicable plan, then that change constitutes a change in employment under this paragraph (c).

(d) *Dependent satisfies or ceases to satisfy eligibility requirements.* Events that cause an Eligible Employee's Dependent to satisfy or cease to satisfy eligibility requirements for coverage on account of attainment of age, student status, or any similar circumstance.

(e) *Residence.* A change in the place of residence of the Eligible Employee or the Eligible Employee's spouse or Dependent.

(f) *COBRA.* If the Eligible Employee or the Eligible Employee's spouse or Dependent becomes eligible for continuation coverage under an Employer's group health plan as provided in Code section 4980B or any similar state law, the Eligible Employee may elect to increase contributions to his or her Premium Conversion Account under the Plan in order to pay for the continuation coverage.

(g) *Court Order.* A judgment, decree, or other order resulting from a divorce, legal separation, annulment, or change in legal custody (including a qualified medical child support order as defined in ERISA section 609) that requires accident or health coverage for an Eligible Employee's child or for a foster child who is a Dependent of the employee. The Eligible Employee may change his or her election to provide coverage for the child if the order requires coverage for the child under the Plan and may cancel coverage under the Plan for the child if the order requires the Eligible Employee's spouse, former spouse, or other individual to provide coverage for the child, and that coverage is, in fact, provided.

(h) *Entitlement to Medicare or Medicaid.* If an Eligible Employee or an Eligible Employee's spouse or Dependent who is enrolled in an Employer's accident or health plan becomes enrolled under Part A or Part B of Title XVIII of the Social Security Act (Medicare) or Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928 of the Social Security Act (the program for distribution of pediatric vaccines), the Eligible Employee may make a prospective election change to cancel or reduce coverage of that Employee, spouse, or Dependent under the Employer-sponsored accident or health plan. In addition, if an Eligible Employee or an Eligible Employee's spouse or Dependent who has been enrolled in such coverage under Medicare or Medicaid loses eligibility for such coverage, the Eligible Employee may make a prospective election to commence or increase his or her coverage or the coverage of his or her spouse or Dependent, as applicable, under the Employer-sponsored accident or health plan.

(i) *Significant Cost or Coverage Changes*.

(1) *Automatic Changes.* If the cost of an Employer-sponsored Contract premium increases (or decreases) during a period of coverage and, under the terms of the Contract, Eligible Employees are required to make a corresponding change in their payments, the Plan may, on a reasonable and consistent basis, automatically make a prospective increase (or decrease) in affected Eligible Employees' elective contributions for the Plan.

(2) *Significant Cost Changes.* If the cost charged to an Eligible Employee for a Contract benefit package option significantly increases or significantly decreases during a period of coverage, the Plan may permit the Eligible Employee to make a corresponding change in election under the Plan. Changes that may be made include commencing participation in the Plan for the option with a decrease in cost, or, in the case of an increase in cost, revoking an election for that coverage and, in lieu thereof, either receiving on a prospective basis coverage under another benefit package option providing similar coverage or dropping coverage if no other benefit package option providing similar coverage is available. For example, if the cost of an indemnity option under an accident or health plan significantly increases during a period of coverage, Eligible Employees who are covered by the indemnity option may make a corresponding prospective increase in their payments or may instead elect to revoke their election for the indemnity option and, in lieu thereof, elect coverage under another benefit package option including an HMO option (or drop coverage under the accident or health plan if no other benefit package option is offered).

A cost increase or decrease refers to an increase or decrease in the amount of the elective contributions under the Plan, whether that increase or decrease results from an action taken by the Eligible Employee (such as switching between full-time and part-time status) or from an action taken by an Employer (such as reducing the amount of Employer contributions for a class of Eligible Employees). This paragraph (i) applies in the case of the Dependent Care Assistance Plan Account only if the cost change is imposed by a Dependent care provider who is not a relative of the Eligible Employee as described in Code section 152(a)(1) through (8), incorporating the rules of Code section 152(b)(1) and (2). This paragraph (i) does not apply to Health FSAs.

(j) *Significant Curtailment Without Loss of Coverage.* If an Eligible Employee or an Eligible Employee's spouse and/or Dependent has a significant curtailment of coverage under a Contract during a period of coverage that is not a loss of coverage as described in paragraph (l) of this section (for example, there is a significant increase in the deductible, the copay, or the out-of-pocket cost sharing limit under the Contract), the Eligible Employee may revoke his or her election for that coverage and, in lieu thereof, elect to receive on a prospective basis coverage under another benefit package option providing similar coverage. This paragraph (j) does not apply to Health FSAs.

(k) *Significant Curtailment With Loss of Coverage.* If an Eligible Employee (or an Eligible Employee's spouse or Dependent) has a significant curtailment that is a loss of coverage, the Eligible Employee may revoke his or her election under the Plan and, in lieu thereof, elect either to receive on a prospective basis coverage under another benefit package option providing similar coverage or to drop coverage if no similar benefit package option is available. For purposes of this paragraph (k), a loss of coverage means:

(1) a complete loss of coverage under the benefit package option or other coverage option (including the elimination of a benefits package option, an HMO ceasing to be available in the area where the individual resides, or the individual losing all coverage under the option by reason of an overall lifetime or annual limitation);

(2) a substantial decrease in the medical care providers available under the Contract (such as a major hospital ceasing to be a member of a preferred provider network or a substantial decrease in the physicians participating in a preferred provider network or an HMO);

(3) a reduction in the benefits for a specific type of medical condition or treatment with respect to which the Eligible Employee or the Eligible Employee's spouse or Dependent is currently in a course of treatment; or

(4) any other similar fundamental loss of coverage as determined by the Plan Administrator's in its sole discretion.

This paragraph (k) does not apply to Health FSAs.

(l) *Addition or Improvement of a Benefit Package Option.* If the Plan or a Contract adds a new benefit package option or other coverage option, or if coverage under an existing benefit package option or other coverage option is significantly improved during a period of coverage, an Eligible Employee may revoke his or her election under the Plan and, in lieu thereof, to make an election on a prospective basis for coverage under the new or improved benefit package option. This paragraph (l) does not apply to Health FSAs.

(m) *Change in Coverage Under Another Employer Plan.* An Eligible Employee may make a prospective election change that is on account of and corresponds with a change made under another employer plan (including another plan of the Employer or of another employer) if-

(1) The other cafeteria plan or qualified benefits plan permits participants to make an election change that would be permitted under paragraphs (a) through (n) of this section (disregarding this paragraph (m)(1)); or

(2) This Plan permits Eligible Employees to make an election for a Plan Year that is different from the period of coverage under the other cafeteria plan or qualified benefits plan.

This paragraph (m) does not apply to Health FSAs.

(n) *FMLA.* If a Participant contributes to the cost of such Benefit, he or she may revoke coverage or continue coverage but discontinue payment of his or her share of the cost of a Benefit that provides group health plan coverage (including a Health FSA) during the period of a leave of absence under FMLA. An Eligible Employee who revokes coverage shall be entitled to reinstate coverage upon returning from a leave of absence under FMLA.

(o) *Loss of Coverage Under Other Group Health Coverage.* An Eligible Employee may make an election on a prospective basis to add coverage under the Plan for the Eligible Employee and/or the Eligible Employee's spouse and/or Dependent if the Eligible Employee and/or the Eligible Employee's spouse and/or Dependent loses coverage under any group health coverage sponsored by a governmental or educational institution, including a State's children's health insurance program (SCHIP) under Title XXI of the Social Security Act; a medical care program of an Indian Tribal government (as defined in section 7701(a)(40)), the Indian Health Service, or a tribal organization; a State health benefits risk pool; or a Foreign government group health plan. This paragraph (o) does not apply to Health FSAs.

(p) *Revocation due to Reduction in Hours of Service.* A Participant may prospectively elect to cancel contribution for and payment of the Employee-paid portion of the Employer-sponsored group health plan Contract premiums if (1) the Participant has been in an employment status under which the Participant was reasonably expected to average at least 30 hours of service per week and there is a change in that Participant's status so that the Participant will reasonably be expected to average less than 30 hours of service per week after the change, even if that reduction does not result in the Participant ceasing to be eligible under the Employer-sponsored group health plan and (2) the revocation of the election of coverage under the Employer-sponsored group health plan corresponds to the intended enrollment of the Participant, and any related individuals who cease coverage due to the revocation, in another plan that provides minimum essential coverage with the new coverage effective no later than the first day of the second month following the month that includes the date the original coverage is revoked.

(q) *Enrollment in a Qualified Health Plan.* A Participant may prospectively elect to cancel contribution for and payment of the employee-paid portion of the Employer-sponsored group health plan Contract premiums if (1) the Participant is eligible for a special enrollment period to enroll in a "qualified health plan" through a competitive marketplace established under Section 1311 of the Patient Protection and Affordable Care Act ("Marketplace") or the Employee seeks to enroll in a qualified health plan through a Marketplace during the Marketplace's annual open enrollment period.

The Plan Administrator reserves the right to determine whether an Eligible Employee has experienced a Change in Status and whether the Eligible Employee's requested election is consistent with such Change in Status.

ARTICLE 5 PREMIUM CONVERSION ACCOUNT

An Eligible Employee may elect to have a portion of his or her Compensation applied by the Employer toward the Premium Conversion Account. The Account established under this Article 5 is intended to qualify under Code sections 79 and 106(a) and shall be interpreted in a manner consistent with such Code sections.

The amount of a Participant's contribution to the Premium Conversion Account shall be equal to the amount of the Participant's portion of the premium on the applicable Contract. If the amount of the Participant's portion of the applicable premium on the Contract increases or decreases, the Participant's contribution to the Premium Conversion Account will automatically be adjusted to reflect the increase or decrease. Amounts in a Premium Conversion Account may be used toward the following benefits:

(1) Health coverage under the Employer's group health plan

(2) Dental coverage under the Employer's group dental plan

(3) Vision coverage under the Employer's group vision plan

(4) Short-Term Disability under the Employer's short-term disability program

(7) Accidental Death & Dismemberment coverage under the Employer's AD&D plan

(8) Individually-owned disability coverage

(9) Prescription Drug Coverage and Individual Health

(c) *Failure to Elect*. An Eligible Employee who fails to submit a Salary Reduction Agreement in accordance with the procedures adopted by the Plan Administrator shall not have any portion of his or her Compensation contributed to a Premium Conversion Account for the Plan Year with respect to non-Employer sponsored Contracts, regardless of the election he or she had in effect for the prior Plan Year.

Section 5.03 ELIGIBLE EXPENSES

A Participant's Premium Conversion Account will be debited for amounts applied to the Employee-paid portion of the applicable Contract premiums. The Plan Administrator will not direct the Employer to pay any premium on a Contract to the extent such payment exceeds the balance of a Participant's Premium Conversion Account. Contributions to the Premium Conversion Account for Code section 79 coverage (group term life insurance) shall be made on an after-tax basis to the extent that the premiums relate to coverage in excess of the limit described in Code section 79(a).

Section 5.04 TERMINATION OF EMPLOYMENT

Upon a Participant's Termination of Employment, the Participant's contributions to the Premium Conversion Account will cease. Coverage under the applicable Contract may continue in accordance with the terms of the Contract for the remainder of the period of coverage with respect to which the required Contract premium has been paid.

Section 6.04 LIMITS

(a) The amount of an Eligible Employee's contribution to a General Purpose Health Flexible Spending Account shall not exceed the limitations set forth in Code section 125(i), as adjusted.

Section 6.05 ELIGIBLE EXPENSES

(a) *Debits from the General Purpose Health FSA.* A Participant's General Purpose Health FSA will be debited for expenses described in this Section 6.05. The entire annual amount elected by the Eligible Employee on the Salary Reduction Agreement for the Plan Year for the General Purpose Health FSA, less any reimbursements already disbursed from the General Purpose Health FSA, shall be available to the Participant at any time during the Plan Year without regard to the balance in the General Purpose Health FSA, provided that the amounts elected in the Salary Reduction Agreement have been contributed to date as provided in the Salary Reduction Agreement.

(b) *Eligible Expenses*. A Participant may be reimbursed from his or her General Purpose Health FSA for expenses that are: (i) incurred in the Plan Year, (ii) incurred by the Participant, the Participant's spouse and dependents, if any, (iii) incurred while he or she is a Participant in the Plan, and (iv) excludable under Code section 105(b); provided that such expenses are not covered, paid or reimbursed from any other source. The Plan Administrator shall establish a schedule, not less frequently than monthly, for the payment of claims. The Plan Administrator may provide that payments/reimbursements from the General Purpose FSA of less than a certain amount may be carried forward and aggregated with future claims until the reimbursable amount is greater than such minimum, provided, however, that the entire amount of payments/reimbursements outstanding at the end of the Plan Year shall be reimbursed without regard to the minimum payment amount.

(d) *Coordination with HRA.* A Participant who is also eligible to participate in an HRA sponsored by the Employer shall not be entitled to payment/reimbursement under the General Purpose Health FSA for expenses that are reimbursable under both the General Purpose Health FSA and the HRA until the Participant has received his or her maximum reimbursement under the HRA. Notwithstanding the foregoing, a Participant shall be entitled to payment/reimbursement under the General Purpose Health FSA if, before the Plan Year begins, the plan document for the HRA specifies that coverage under the HRA is available only after expenses exceeding the applicable dollar amounts in the General Purpose Health FSA have been paid.

(e) *Automatic Payment.* A Participant who elects to receive coverage under a Contract that is offered in conjunction with an Employer-sponsored benefit plan may elect that any eligible expenses that are not covered under the applicable Contract, such as co-payments, co-insurance or deductibles, be automatically paid through his or her General Purpose Health FSA.

However, no forfeiture shall occur until all payments and reimbursements hereunder have been made on claims submitted within 90 days after termination.

Section 6.09 QUALIFIED RESERVIST DISTRIBUTIONS

(a) A Participant may receive a distribution of the entire amount elected for the General Purpose Health FSA for the Plan Year minus applicable General Purpose Health FSA reimbursements received as of the date of the Qualified Reservist Distribution request. A Qualified Reservist Distribution may not be made based on an order or call to active duty of any individual other than the Participant, including the spouse of the Participant.

(b) A Participant may submit General Purpose Health FSA claims for medical expenses incurred before the date a Qualified Reservist Distribution is requested. Section 7.01 IN GENERAL

An Eligible Employee may elect to have a portion of his or her Compensation contributed to a Dependent Care Assistance Plan Account. The DCAP Account established hereunder is intended to qualify as a dependent care assistance program under Code section 129 and shall be interpreted in a manner consistent with such Code section.

Section 7.02 ELIGIBLE EMPLOYEES

The Employees identified in Article 3 are eligible to participate in the Dependent Care Assistance Plan Account.

Section 7.03 ENROLLMENT

(a) *Enrollment.* An Eligible Employee may enroll in the DCAP Account in accordance with Article 4.

(b) *Contributions.* A Participant's DCAP Account will be credited with amounts withheld from the Participant's Compensation.

(c) *Failure to Elect*. An Eligible Employee who fails to submit a Salary Reduction Agreement in accordance with the procedures adopted by the Plan Administrator shall not have any portion of his or her Compensation contributed to a DCAP Account for the Plan Year, regardless of the election he or she had in effect for the prior Plan Year.

Section 7.04 LIMITS

The amount of all contributions to a Participant's DCAP Account shall not exceed the limitations set forth in Code section 129(a)(2), as adjusted.

Section 7.05 ELIGIBLE EXPENSES

(a) *Debits from the DCAP Account.* A Participant's DCAP Account will be debited for expenses described in this Section. However, the Plan Administrator will not direct the Employer to reimburse such expenses to the extent the reimbursement exceeds the balance of the Participant's DCAP Account.

(b) *Eligible Expenses.* Participant may be reimbursed from his or her DCAP Account for Dependent Care Expenses that are: (i) incurred in the Plan Year, (ii) are incurred while the Participant participates in the Plan, and (iii) qualify as eligible Dependent Care Expenses (as defined below), provided that such expenses that are not covered, paid or reimbursed from any other source and the Participant does not claim a tax benefit for the such expenses.

(1) "Dependent Care Expenses" are expenses incurred for the care of a Qualifying Individual, as defined in Code section 21(b)(1) and generally includes either: (i) a Dependent who is under age 13, or (ii) the Participant's spouse or Dependent who lives with the Participant and is physically or mentally incapable of caring for himself/herself. However, these expenses are Dependent Care Expenses only if they allow the Participant to be gainfully employed. Dependent Care Expenses include expenses for household services and expenses for the care of a Qualifying Individual. Such term shall not include any amount paid for services outside the Participant's household at a camp where the Qualifying Individual stays overnight. Expenses described in this subsection (2) that are incurred for services outside the Participant's household are not taken into account if they are incurred on behalf of the Participant's spouse or Dependent who is physically or mentally incapable of caring for himself/herself unless such individual lives at least eight hours per day in the Participant household. Expenses incurred at a dependent care center are taken into account only if such center complies with all applicable laws and regulations of a state or local government, the center provides care for more than six individuals, and the center receives a fee, payment, or grant for providing services for any of the individuals.

Section 7.06 REIMBURSEMENT

(a) *Period for Reimbursement.* The Plan Administrator shall direct the reimbursement from a Participant's DCAP Account for eligible expenses incurred during the Plan Year. An individual who ceases to be a Participant in the Plan (due to Termination or any other reason) may spend down his or her unused DCAP Account expenses, and such individuals may be reimbursed for unused benefits through the end of the Plan Year in which the Termination of Participation occurs to the extent the claims do not exceed the balance of the DCAP Account.

(b) *Period for Submitting Claims*. A Participant may submit a request for reimbursement from his or her DCAP Account during the Plan Year and no later than 90 days after the end of the Plan Year. The claim must be made in the manner required by the Plan Administrator.

(c) *Payment of Claims*. To the extent that the Plan Administrator approves the claim, the Employer shall: (i) reimburse the Participant, or (ii) at the option of the Plan Administrator, pay the service provider directly for any amounts payable from DCAP Account. The Plan Administrator may provide that payments/reimbursements from the DCAP Account of less than a certain amount may be carried forward

and aggregated with future claims until the reimbursable amount is greater than such minimum, provided, however, that the entire amount of payments/reimbursements outstanding at the end of the Plan Year shall be reimbursed without regard to the minimum payment amount.

(d) *Debit Card.* Subject to IRS guidelines, the Plan Administrator may provide for the use of debit or stored value cards for payment of eligible DCAP Account expenses.

Any balance remaining in a Participant's DCAP Account at the end of the Plan Year shall be forfeited and shall remain the property of the Employer. Unused contributions to a DCAP Account may not be cashed-out or converted to any other taxable or nontaxable benefit.

Section 7.08 TERMINATION OF EMPLOYMENT

In the event of a Termination of Employment, the Participant may elect to continue to make contributions to the DCAP Account under the Plan on an after-tax basis and reimbursements will be allowed for the remainder of the Plan Year. Any balance remaining in a Participant's DCAP Account shall be forfeited at the end of such Plan Year and shall remain the property of the Employer, except as expressly provided herein. However, no forfeiture shall occur until all payments and reimbursements hereunder have been made on claims submitted within 90 days after termination.

Section 7.09 SEPARATE PLAN

Although described within this document, the DCAP Account is a separate plan for purposes of administration and all reporting and nondiscrimination requirements imposed by Code section 129. The DCAP Account is also a separate plan for purposes of ERISA, HIPAA, and COBRA.

ARTICLE 11 CLAIMS PROCEDURES

Section 11.01 CLAIMS PROCEDURES

(a) *Non-Plan Claims.* Claims and reimbursement for benefits provided under any Contract shall be administered in accordance with the claims procedures for the applicable Contract, as set forth in the Contract's plan documents, summary plan description, and/or similar documentation.

(b) *Plan Claims.* A request for benefits is a "claim" subject to this Section only if it is filed by the Participant or the Participant's authorized representative in accordance with the Plan's claim filing guidelines. In general, claims must be filed in writing. Any claim that does not relate to a specific benefit under the Plan (for example, a general eligibility claim or a dispute involving a mid-year election change) must be filed with the Plan Administrator. A request for prior approval of a benefit or service where prior approval is not required under the Plan is not a "claim" under these rules. Similarly, a casual inquiry about benefits or the circumstances under which benefits might be paid under the Plan is not a "claim" under these rules, unless it is determined that the inquiry is an attempt to file a claim. If a claim is received, but there is not enough information to process the claim, the Participant will be given an opportunity to provide the missing information. Participants may designate an authorized representative if written notice of such designation is provided.

(c) *Documentation.* A Participant or any other person requesting benefits from the Plan (a "Claimant") may apply for such benefits by completing and filing a claim with the Plan Administrator. Any such claim shall include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merit of and to make any necessary determinations on a claim for benefits. The Plan Administrator may request any additional information necessary to evaluate the claim. All claims and notices shall be made in written form unless the Plan Administrator provides procedures for such claims and notices to be made in electronic and/or telephonic format to the extent that such alternative format is permitted under applicable law.

(d) *Health Flexible Spending Account Claims.* This subsection shall apply for any claim for benefits under the Health Flexible Spending Account.

(1) *Timing of Notice of Denied Claim.* The Plan Administrator shall notify the Claimant of any adverse benefit determination within a reasonable period of time, but not later than 30 days after receipt of the claim. This period may be extended one time by the Plan for up to 15 days, provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies the Claimant, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If such an extension is necessary due to a failure of the Claimant to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information, and the Claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.

(2) *Content of Notice of Denied Claim.* If a claim is wholly or partially denied, the Plan Administrator shall provide the Claimant with a notice identifying (A) the reason or reasons for such denial, (B) the pertinent Plan provisions on which the denial is based, (C) any material or information needed to grant the claim and an explanation of why the additional information is necessary, (D) an explanation of the steps that the Claimant must take if he wishes to appeal the denial including a statement that the Claimant may bring a civil action under ERISA after following the Plan's claims procedures, and (E): (1) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Claimant upon request; or (2) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

(3) *Appeal of Denied Claim.* If a Claimant wishes to appeal the denial of a claim, he shall file an appeal with the Plan Administrator on or before the 180th day after he receives the Plan Administrator's notice that the claim has been wholly or partially denied. The Claimant shall lose the right to appeal if the appeal is not timely made. The appeal shall identify both the grounds and specific Plan provisions upon which the appeal is based. The Claimant shall be provided, upon request and free of charge, documents and other information relevant to his claim. An appeal may also include any comments, statements or documents that the Claimant may desire to provide. The Plan Administrator shall consider the merits of the Claimant's presentations, the merits of any facts or evidence in support of the denial of benefits, and such other facts and circumstances as the Plan Administrator may deem relevant. In considering the appeal, the Plan Administrator shall:

(A) Provide for a review that does not afford deference to the initial adverse benefit determination and that is conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual;

(B) Provide that, in deciding an appeal of any adverse benefit determination that is based in whole or in part on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate, the appropriate named fiduciary shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;

(C) Provide for the identification of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a Claimant's adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination; and

(D) Provide that the health care professional engaged for purposes of a consultation under Subsection (B) shall be an individual who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinate of any such individual.

The Plan Administrator shall notify the Claimant of the Plan's benefit determination on review within 60 days after receipt by the Plan of the Claimant's request for review of an adverse benefit determination.

(4) *Denial of Appeal.* If an appeal is wholly or partially denied, the Plan Administrator shall provide the Claimant with a notice identifying (A) the reason or reasons for such denial, (B) the pertinent Plan provisions on which the denial is based, (C) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claimant's claim for benefits, and (D) a statement describing the Claimant's right to bring an action under section 502(a) of ERISA after following the Plan's claims procedures. The determination rendered by the Plan Administrator shall be binding upon all parties.

(5) *Exhaustion of Remedies; Limitations Period for Filing Suit.* Before a suit can be filed in federal court, claims must exhaust internal remedies. Unless otherwise provided under the Plan or required pursuant to applicable law, a suit for benefits under the Health Flexible Spending Account must be brought within one year after the date of a final decision on the claim in accordance with the claims procedure described above.

(e) *Other Plan Account Claims.* This subsection shall apply for any claim for benefits under Accounts that is not a health flexible spending account.

(1) *Timing of Notice of Denied Claim.* The Plan Administrator shall notify the Claimant of any adverse benefit determination within a reasonable period of time, ordinarily within 90 days after receipt of the claim, unless the Plan Administrator determines additional time is required to make a determination.

(2) *Content of Notice of Denied Claim.* If a claim is wholly or partially denied, the Plan Administrator shall provide the Claimant with a written notice identifying the reason or reasons for such denial and an explanation of the steps that the Claimant must take if he wishes to appeal the denial.

(3) *Appeal of Denied Claim.* If a Claimant wishes to appeal the denial of a claim, he shall file a written appeal with the Plan Administrator on or before the 60th day after he receives the Plan Administrator's written notice that the claim has been wholly or partially denied. The written appeal shall identify both the grounds and specific Plan provisions upon which the appeal is based. A written appeal may also include any comments, statements or documents that the Claimant may desire to provide. The Claimant shall lose the right to appeal if the appeal is not timely made. The Plan Administrator shall rule on an appeal within a reasonable period of time, ordinarily within 60 days of receipt of the appeal, unless the Plan Administrator determines additional time is required to make a determination.

(4) *Denial of Appeal.* If an appeal is wholly or partially denied, the Plan Administrator shall provide the Claimant with a notice identifying the reason or reasons for such denial. The determination rendered by the Plan Administrator shall be binding upon all parties.

(5) *Exhaustion of Remedies; Limitations Period for Filing Suit.* Unless otherwise prohibited under the Plan or pursuant to applicable law, before a suit can be filed in court, Claimants must exhaust the Plan's claim procedures. Unless otherwise provided under the Plan or required pursuant to applicable law, a suit for benefits under the Plan must be brought within one year after the date of a final decision on the claim in accordance with the claims procedure described above.

Section 11.02 REFUNDS/INDEMNIFICATION

If the Plan Administrator determines that any Claimant has directly or indirectly received excess payments/reimbursements or has received payments/reimbursements that are taxable to the Claimant, the Plan Administrator shall notify the Claimant and the Claimant shall repay such excess amount (or at the option of the Plan Administrator, the Claimant shall repay the amount that should have been withheld or paid as payroll or withholding taxes) as soon as possible, but in no event later than 30 days after the date of notification. A Claimant shall indemnify and reimburse the Employer for any liability the Employer may incur for making such payments, including but not limited to failure to withhold or pay payroll or withholding taxes from such payments or reimbursements. If the Claimant fails to timely repay an excess amount and/or make sufficient

indemnification, the Plan Administrator may: (a) to the extent permitted by applicable law, offset the Claimant's salary or wages, and/or (b) offset other benefits payable hereunder.

Within a reasonable period the Plan Administrator shall determine whether the order is a qualified medical child support order and shall notify the Participant and alternate recipient of such determination.
