As a safety precaution we discourage the use of school bags with wheels.

It is highly suggested to drop your child's school supplies off during our teacher assignment dates/times in August so your child does not have to carry them on the bus. Please put all supplies in brown bags with your child's name clearly written on the outside. Staple the bag shut.

ALL Primary School students will receive a vinyl homework folder.

We would like all children at the Primary School to have a complete change of clothes (shirt, pants, socks, and underwear) to be kept in a zip lock bag in their school bags at all times. The extra set of clothes would be used in the event that your child would have a potty accident, vomiting, or spill. If a situation should arise, we have found children feel much better if they are able to be changed into their own clothes.

Individual teachers may ask for individual items in addition to the above supply lists. If teachers request additional supplies, this information will be shared at Meet the Teacher Nights or sent home the first week of school. Teachers may request items to be replenished mid-year.

PLEASE LABEL EVERYTHING WITH YOUR CHILD'S NAME IN PERMANENT MARKER
