You and your friends deal with the problems of school everyday. You know what we are doing right, and you can suggest changes that help us improve.

At times, students like you overhear information that you don't feel you can share. When someone steals, uses drugs in school, threatens violence, or commits illegal actions, it can hurt the school—and all of us.

We have subscribed to a service that allows students and parents to report this information anonymously. We hope the information outlined here will answer your questions and ease your mind—so you can help keep our school a safe place to learn.

Break the Silence...Prevent the Event

Use the

SAFE SCHOOL HELPLINE®

to report threats of violence

depression and illegal

activity that could harm

children in our school.

Your call is private,

confidential, and

anonymous.

How do we know it is anonymous?

We have contracted for this service through Security Voice, an independent company with no other ties to our school.

How does it work?

A toll-free number has been assigned for our school district. When you dial this number from your touch-tone phone, you will be advised how to leave your information. You may exclude your name or other facts that could identify you. Then, record your message.

What type of information should be recorded?

Please report any facts, remarks or actions that could jeopardize the safety of our children, staff or school. Examples of threatening situations include:

- Bullying
- Drugs/Alcohol
- Weapons
- Violence
- Theft
- Thoughts of Suicide

What happens next?

Security Voice will send a typed copy of your message to the school. The school will then investigate the report, and determine how best to act on it.

When and where can I call?

You may call toll-free anytime, day or night—from a home or cell phone. Take care that your call is not overheard.

Can I text or use the Internet for reporting?

Yes. To text, enter **66746**, then type **TIPS**. To use the web, log in at www.safeschoolhelpline.com and make your report. Your phone number and email address will not be shared with your school.

Who can call this number?

Everyone within our school, including:

- students
- parents
- teachers/staff

Can this help troubled students, too?

Yes. If you see a student who is troubled, or overhear remarks like "I can't go on," please call or encourage the student to call the helpline. The call will be routed to a Counseling and Crisis Center that provides a 24-hour crisis intervention service. Trained counselors are available 365 days per year to talk with persons seeking assistance in coping with suicidal thoughts, depression, or feelings of loneliness and loss. Callers need only press "3" when prompted.

Can I change my message later? How will you know who is calling?

Yes. When you leave a message you are given a case number that is yours alone. Enter that same case number when updating your message or answering additional questions.

How will I know if any action has been taken?

After three school days, call the toll-free number and enter your case number when prompted. A recording will let you know your message was heard and may ask you for more information. Your answers will be transcribed and sent to the school administration for further investigation. Administrative actions may sometimes be confidential, but your call is always important.

Is a Mobile App available?

Yes. A free mobile app is available for Apple and Android phones at the Apple Store and Google Play.

Can I send photos or videos?

Yes. You may email photos and videos to images@securityvoice.com. Please reference your case number when sending. This email address is for photos and videos only.
