

“IMPORTANT INFORMATION ON PARTICIPANT FEE WAIVERS”

On January 26, 2016, the Board of Directors approved the following list of items which the District’s athletic and facilities department have identified to be donations in lieu of the participant fee payment. All newly initiated participant fee waiver requests must either select items from the following list for donation or **prior to the submission of the waiver request and donated item, the Board of Directors must have approved the item to be donated in lieu of the participant fee.**

Without board approval of the following list of items it should not be assumed that a waiver request will be approved even if it historically has been. The submitting group should not take action on the donation in lieu of the participant fee without board approval.

The current list of board approved donations
